OPEN SITE 2018-2019

Venue and Installation/ De-installation Schedule

[Performance, OPEN SITE dot]

[TOKAS Hongo Space A (1F)]

[Space]

Size: approx. 67 square meter

Wall: Plasterboard/ White

Floor: Hard-packed dirt (mortar)/ Brown

✓ Floor mat available (type A: Gray/ Fabric/ Multipurpose | type B: Gray/ Linoleum/ Dance)

[Facilities]

Lighting: Gallery lights and fluorescents

Audio: Portable speakers in the equipment list

Stage: No stage equipment such as wooden platforms is available

✓ Lighting facility in TOKAS Hongo is for gallery usage. Participants can use lighting control unit in the equipment list, however, please note that number of the light/ dimmer range is limited.

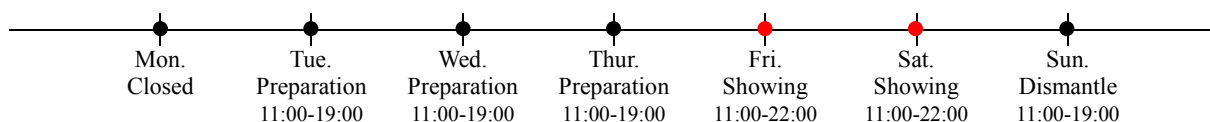

[Seating Capacity]

Approximately 30 to 60 seats

✓ Depending on how to set the seating area. However, since the venue is normal gallery space and there is no sloping, 40 seats are appropriate to have a whole stage view from each seat.

[Executing Schedule]

In general, participants are required to execute their project within following schedule.

- ✓ Venue is available 6 days from Tuesday to Sunday for each participant in general.
- ✓ Showing/ Presentation is basically scheduled 2 days on Friday and Saturday. However, it will be adjustable depending on the project plan and any other specific reasons.
- ✓ Actual performance times will be determined through consultation between TOKAS and successful candidates.
- ✓ Any preparation which makes loud sound should be scheduled after 19:00 because there will be exhibitions open from 11:00 to 19:00 on 2nd and 3rd floor. In that case, venue will be available from 14:00 to 22:00.
